Notes of the 13 July Special Group Augmented meeting given to Knoche by General Carter

The air re-supply issue was deferred until next week. The Group objected to a lasting of so many alternatives. Lansdale is instructed to staff this out and come up with a recommendation.

Alexis Johnson and all members of the Special Group Augmented, except CIA, had a paper entitled Post/Castro political doctrine. The paper examined the kind of government we would eventually see in Cuba. No action was taken on this paper.

Action: We should get a copy of Johnson's paper soonest.
